

Little Learners

Mondays, Wednesdays, Fridays 9:30am – 3:30pm
Monday March 6 – Friday May 26
Ages: 3 – 5 years
Location: Toronto

Program:

Little Learners is a 3-month program designed to help children aged 3-5 develop the skills needed to participate in school. The program focuses on teaching learner readiness skills through activities and play. This group is supervised by a Board Certified Behaviour Analyst (BCBA), in consultation with a Speech-Language Pathologist (SLP) and an Occupational Therapist (OT). We will begin with an assessment to determine your child's strengths and learning goals, followed by a curriculum that is based on the principles of Applied Behaviour Analysis (ABA).

Your child will learn to:

- Follow classroom routines and expectations
- Follow instructions
- Share with peers
- Increase communication

Cancellation policy:

Registration deposits are 100% refundable, provided cancellation notice is received at least one week prior to the first class. Deposits are non-refundable if less than one week notice is given.

Disclaimer:

If it is observed that your child requires additional support, the team will work with you to identify and arrange for the recommended accommodations. Please note that the support of a 1:1 shadow is not included in the group fee.
